

Discovery Science
Emerging Scholars Lecture

Sex-Specific Neural Regulation of Energy Balance

Stephanie Correa

*Department of Integrative
Biology and Physiology, UCLA*

The focus of Dr. Correa's lab is understanding how reproductive hormones affect metabolic health and disease.

**Thursday,
April 13, 2017
4:00 p.m.**

Preston Research Building 206

This lecture series features the most promising young scientists who are making notable discoveries as postdoctoral fellows or early career faculty.
